

## **Attention Editors & Reporters**

**The Economic Club of Washington, D.C. welcomes**

**Robert W. Dudley**  
**Group Chief Executive of BP plc**

In his remarks to the Economic Club of Washington, Mr. Dudley will offer a broad survey of the global energy landscape, examining the impact of lower oil prices and describing how BP has responded. He also will discuss BP's efforts to address climate change, and will explain why the company believes carbon pricing is the essential element of a long-term energy transition. Following his remarks, Mr. Dudley will join David Rubenstein, President of the Economic Club of Washington, for a conversation on these and other issues.

**When: Thursday, June 23, 2016**

**The Economic Club of Washington, D.C.**, has for over 25 years played a vital role in shifting the perception of Washington, D.C., from a focus on the city as the center of our national government to a growing awareness of the region as a global business destination. The Club provides a forum for prominent business and government leaders who have influenced economic and public policy both here and abroad. Featured speakers in recent years have included the President of the United States, a former Prime Minister of Great Britain, the Speaker of the House of Representatives, heads of the Federal Reserve Board, every Secretary of the Treasury since 1986, other Cabinet members and government officials, and leaders of Fortune 100 corporations. The Economic Club consistently ranks among the Top 10 speaking forums for CEOs. David M. Rubenstein, Co-Chief Executive Officer and Co-founder, The Carlyle Group, is the current President. Members represent approximately 700 businesses and organizations, located in the Washington, D.C. metropolitan region, that are at the forefront of the private sector economy.
