November 15, 2021 Entrepreneurship Panel

Current or aspiring business owners, this session is for you! Join us for an opportunity to network with experienced entrepreneurs; discuss what it takes to be an entrepreneur, do's and don'ts of entrepreneurship and more.

How to make a good impression:

1. Be on time!
2. Pay attention, do not play on another device during the event.
3. Take notes so you can remember which presenter said things that engaged you.
4. Ask questions. This is the number one way to show you are interested and it will create a positive impression with the speaker.
5. Follow up afterwards with the presenters. Attendees will receive a list of presenters and their email addresses. Send each one (or the ones you connected with) a short thank you, and mention a part of their presentation that you enjoyed or found valuable.

Zoom Etiquette

- Please have your camera on for the duration of the meeting
- Please mute your microphone while the presenters are speaking
- Use the chat box or the raised hand feature to ask questions
- Breakout room transitions are automatic, please do not leave the breakout rooms
